## Foghlaim Gaeilge ar líne

### Learning Irish Online

Hello! **Galway County Integration Team** has put together this guide to help you access **Free Irish learning online**.

**Digital Dialects** is a simple and game-based way to learn Irish vocabulary, with English translations. It is great for beginners.  
<https://www.digitaldialects.com/Irish.htm>

**Oide Lurgan** is a summer college Cois Fharraige, Conamara, Galway, and here you can listen to Irish language versions of pop songs by lots of famous singers such as Avicii, Adele and Lil Nas X.  
<https://www.youtube.com/user/tglurgan>

**Duolingo** is great for beginners. Here you can learn a wide vocabulary, grammar, and structure of Irish, and you can form sentences quickly. As well as that, you can do all that anywhere on your phone in your own time.

**Gaschaint** is a website with 2000 phrases, and all the speech recordings to learn pronunciation. These are useful phrases you can use in your daily life, especially with your children.  
<https://www.gaschaint.ie>

**Teaglann** is one of the best online Irish dictionaries, with audio pronunciations in the three Irish dialects. You can learn grammatical tenses, phrases, idioms, and much more.  
<https://www.teaglann.ie/en/>

**The Philo-Celtic Society** offers online classes for beginners for free for Irish learners all over the world. Check for their next availability on the website below:
