

Main steps for well grant application and payment.

Step 1. Prior to approval from Galway County Council the applicant must submit 3 quotations for new well/rehabilitation works.

Step 2. Applicant must submit raw water test results to Galway County Council.

Step 3. Should water treatment be required applicant must provide Galway County Council with 3 quotes.

Step 4. Following approval from Galway County Council and treatment is in place, applicant must submit post treatment water test results.

Step 5. Galway County Council will then contact you to carry out a final inspection and water sampling to verify the water is compliant.
