## COUNCILLORS NOTICES OF MOTIONS

### OTHER MOTIONS RECEIVED

---

#### **12. Cllr. Dr. Evelyn Francis Parsons**

##### **I will propose:**

A Strategic Housing Development of 165 housing units in Ballinasloe went forward for planning through An Bord Pleanala without the municipal Cllrs or the local area office being directly informed by GCC.

Local Cllrs and staff were not made aware of a hugely significant planning process which had opened up in their area which significantly affected the people and area they represent.

I propose that GCC executive inform elected members of Galway CC of all Strategic Housing Developments which are with Bord Pleanala, size, location and status of planning of same and where the physical plans can be seen and inspected.

I propose that all elected representatives in a municipal area are informed immediately by GCC of any planning process in that area emanating outside of Council planning systems which opens up for public engagement.

#### **13. Cllr. Dr. Evelyn Francis Parsons**

##### **I will propose:**

That the CE makes a written statement on the Ballinasloe Landfill Remediation Fund which is a specific reserve held in the GCC capital account and comprises part of the credit balance in GCC accounts to be used for future projects in Ballinasloe - namely Ballinasloe Townparks Relief Road which is a roads project now listed in the current GCDP plus linking to a commitment to develop the Townparks Amenity Area and to include the sums put aside for each project.
