10. Cllr. Andrew Reddington

I will propose:

"I propose that Galway County Council provide communication boards to be installed across playgrounds in Co Galway

These boards allow children who are non verbal or have challenges communicating to express themselves.

These communications boards will increase inclusion and independence".

11. Joe Byrne

I will propose:

"The last 12 months has seen increased walking activity in our towns and villages, a very welcome development, and one which we hope will continue. The lack of public lighting on some of our footpaths on the outskirts of towns and villages has been one cause of concern with respect to safety.

Currently there is no public funding under our Roads Programme for the provision of new Public Lights.

This motion requests that for 2021 and 2022, that the current limit of funding by each Councillor through NOM for 1 Public light per year, be increased to a max of 3 per year to address this issue and let it be one Covid legacy to our communities from local public representatives".

12. Cllr. Shelly Herterich Quinn

On 22nd January this year, the Government announced funding for 248 posts to provide specifically for Active Travel Teams within City and County Councils. There have been many allocations since this announcement. 22 posts were allocated to Galway City Council. No posts have been allocated to Galway County Council at the writing of this motion.

I will propose:

"That the City and County Managers Association, who were given responsibility for these allocations, inform the members of this council why no such allocations have been assigned to Galway County Council to-date, and what is the mechanism being used to make these allocations."

13. Cllr. Shelly Herterich Quinn and Cllr. Karey McHugh Farag

I will propose:

"That Galway County Council agree to sign the European Charter for Equality of Women and Men in Local Life.

In doing so, the local authority, executive and members, 'make a formal public commitment to the principle of equality of women and men, and to implement, within (our) territory, the commitments set out within the Charter."

(The European Charter for Equality of Women and Men in Local Life)
