9. Cllr. Donagh Killilea

I will propose:

That Galway County Councillors support the Retained Fire and Rescue Service personnel and their continued struggle for improvements in pay, conditions and a decent work/life balance with agreed time off and call on the Minister for Local Government and the Minister for Public Expenditure to provide the funding necessary to sustain and enhance the service now and for future generations.

10. Cllr. Jim Cuddy

I will propose:

I propose that Galway County Council in consultation with the City Council outline what proposals they have to improve the numbers of the retained fire service personnel.

This is an important service for both the City and County and it is important that sufficient firefighters are always available to deal with emergencies.
