**12. Cathaoirleach's Business.**

## **COUNCILLORS NOTICES OF MOTIONS**

### **OTHER MOTIONS RECEIVED**

---

#### **13. Cllr. Herterich Quinn & Cllr. Kinane**

##### **We will propose:**

“When it comes to addressing gender balance on external boards like the GRETB, GRD, and NWRA, that the membership of Galway County Council is conscious of the necessity for gender balance to support the delivery of stronger outcomes for individuals, organisations, and communities, and in particular where a Statutory Instrument exists.

Where no Statutory Instrument exists for external boards, that we as the Elected Representatives for our County work together to ensure that a Statutory Instrument is put in place for gender balance.”

#### **14. Cllr. Curley**

##### **I will propose:**

“That Galway County Council supports the campaign of Epilepsy Ireland to address long-standing issues that continue to impact on people with epilepsy and their families in Ireland today, namely:

1. Access to Free Travel.
2. Provision of Reasonable Accommodations for State Examinations for students with epilepsy.” The Motion, if agreed, to be then sent to the Minister for Health, Stephen Donnelly TD, Minister for Social Protection, Heather Humphreys TD, Minister for Education, Norma Foley TD, Michael Moynihan TD (Chair, Oireachtas Committee on Disability Matters) and to other local authorities for correspondence purposes.”

## **15. Cllr. Finnerty**

### **I will propose:**

“that in future the debate on the LPT take place 3 months ahead of the decision date. This is to give all members the opportunity to discuss the pros and cons of varying the rate.”

## **16. Cllr. Mannion**

### **I will propose:**

“that Galway County Council contact Irish Public Bodies Mutual Insurance to ask them to provide cover for outdoor exercise equipment on community owned property across the county”

## **17. Cllr. Canning**

### **I will propose:**

“that all future CIS/LIS projects will be planted with Wild Flowers instead of Grass Seed on the verges beside the newly erected fencing.

This will be beneficial in many ways.

Most importantly, are the environmental benefits, as it is proven that wildflowers are a major component in the halt to decline bee species, and other pollinators. Wild flowers are essential to the flora and the fauna of our countryside, and provide a natural habitat for many birds, small mammals and insects.

They are also more visually enhancing, providing a relaxing atmosphere for country walks. In a time where mental health has never been as important, I feel that this is a prime factor in this motion.

Wildflowers are also very low maintenance, which means lower costs to our already stretched funding. Once established, they need very little care, with as little as two cuttings a year.”

## **18. Cllr. Reddington**

### **I will propose:**

“that Galway County Council Executive confirms what platforms we as elected officials are required to use when discussing council business as to protect Information or content that may compromise the safety or security of the local authority.

## **19. Cllr. Cuddy**

### **I will propose:**

“that the Director for Roads and Transportation and the Interim CEO write without any further delay to the Minister for Transport Mr. Eamon Ryan demanding that he proceed with the long awaited Claregalway Relief Road which has been paused since 2012. It is very clear now that the M 6 has not made any worthwhile reduction to the volume of traffic going through the village of Claregalway each day and is now worse than ever.

Galway County Council is in agreement that the relief road should proceed and it is referenced both in the present County Development Plan and the Draft County Development Plan 2022-2028 and lands along the preferred route have been frozen for years.

Local people need certainty now in order to be able to plan for the future.”

## **20. Cllr. Geraghty**

### **I will propose:**

“That this Council propose to the Minister with responsibility for Inland Fisheries Ireland that the current necessity for a permit to fish the River Suck be withdrawn”.

## **21. Votes of Sympathy / Congratulations**
