## COUNCILLORS NOTICES OF MOTIONS

### OTHER MOTIONS RECEIVED

---

#### **13. Cllr. Shane Curley**

##### **I will propose:**

That Galway County Council would identify funding to employ a full-time European Affairs Officer.

Context: Councils such as Dublin City and Cork City have done extremely well from European funding on the back of having such an officer. If we had an officer like this, we could have someone constantly focusing on maximising the amount of money coming into our county from Europe.

This is especially pertinent given that Ireland is now a net financial contributor to the EU.

#### **14. Cllr. Shane Curley**

##### **I will propose:**

This motion removes the limit on the amount of NOM funding which a Councillor can dedicate for the purpose of public lighting per year, while still allowing engineers or the executive the discretion to intervene if a public lighting project is not sustainable, realistic or deliverable etc when approving NOM submissions.

#### **15. Cllr. Martina Kinane**

##### **I will propose:**

I wish to propose that Galway County Council write to PPN secretariat, seeking that they engage with community organisations (that are members of the PPN) with links to water sports , sailing clubs, sea swimming and the fishing community , for the purpose of seeking 2 nominees to be assigned to Community & Cultural Development SPC and Climate Change & Biodiversity SPC .
