9. Cllr. Donagh Killilea

I will propose:

I propose that Galway Co. Co. immediately set up a facility where members of the press, public and GCC non-elected staff can attend our meetings remotely. It is not

good enough that we deny non-elected members the ability to be able to use our online service via teams so that we have an all-inclusive access to public meetings. The regional health forum West has embraced and adopted this format for up to 60 users per meeting and it should be no different at council level.

10. Cllr. Andrew Reddington

I will propose:

That Galway County Council appoints a liaison officer to work with the Galway disability forum and disabled drivers' association Ireland in relation to any issues they are having in relation to parking, illegal parking on disabled parking spots, misuse of permits etc.

11. Cllr. Alastair McKinstry

I will propose:

I propose that Galway County council will follow Kilkenny in introducing a ban on disposable coffee cups.

We will promote the use of reusable ("Go-Cup") returnable coffee cups by all vendors in the county.
