12. Cllr. Martina Kinane

I will propose:

*"That Galway County Council contact the Minister for Housing, Local Government and Heritage as to when will his Department issue a circular to Galway County Council planning department arising from the Flemish decree judgment of the European Court, the effect this judgement will have on Irish planning practice and in turn Galway County Council Development plan 2022-2027".*

13. Cllr. Dr. Evelyn Francis Parsons

I will propose:

*"That Galway County Council supports the right to Personal Assistance Service (PAS) for disabled people to have freedom, choice and control over all aspects of their lives to enable them to fully participate in an inclusive society as equals. That this local authority would call on the Government and the Minister with responsibility of Disabilities, Anne Rabbitte TD, to enact legislation to standardise and fund additional PA hours."*
