13. Cllr. Shane Curley

I will propose:

“Galway County Council calls on the Department of Housing to review the current income thresholds of those applying for social housing. The cost of living has drastically increased. For many people in genuine need of social housing, the current income thresholds mean that they are ineligible for a social house. This means that they are living in poverty despite doing their best to hold down a low-paying job.”

14. Cllr. Jim Cuddy

I will propose:

“that Galway County Council immediately carry out a traffic count on the N 83 and the R 381 in Claregalway to support their case to TII for the long awaited relief road for Claregalway. The traffic count should be carried out between Monday and Friday. Back in 2002 the council identified a preferred route for such a relief road and the estimated cost at that time was in the region of 22 million euro. At that time the traffic volume going through Claregalway was in the region of 35,000 vehicles a day. Their excuse for not proceeding with the relief work was that the M 6 would take the traffic out of Claregalway and that simple did not happen.

I do know that the Roads Department of Galway County Council are fully in support of this relief road going ahead and the preferred route has been protected in the County Development Plan.

Once the traffic count is completed I would ask that the results would be forwarded to TII and the Minister for Transport.”

15. Cllr. Gerry Finnerty

I will propose:

“that Galway County Council call on all Banks to immediately assist in setting up cashless transaction and issue Debit cards at low-cost fees, to all OAP and Credit Unions, so that they are allowed to enter to a competitive Banking market and allowed to have current account so as to be able to issue Debit/ Credit cards to their account holders. This is in response to the huge amount burglaries many with violence been carried out across the Country on our senior citizens. I ask this motion be circulated to all local Authorities across the Country. I ask it be forward to our Finance ministers and our minister for Justice.
