

Community Support Schemes 2026

Galway County Council recognises that local communities are one of our greatest resources, and in recognition of this has developed the Community Support Schemes to provide financial assistance to Community and Voluntary Groups and Organisations for a diverse range of events and projects. This year, we have added 2 additional Support Schemes to promote environmental development projects and sports participation and development, and we hope you will find these beneficial.

Purpose:

The purpose of the support schemes is to encourage and enable community and voluntary groups to actively participate in the development of their communities, the funding is intended to support projects and events that improve all aspects of local areas and deliver benefits to the wider community.
