**15. Cllr. Gabriel Cronnelly**

- I will propose:

*"I propose that any significant planning application received by Galway County Council planning section is sent back to the applicants for rework at the earliest possible time if it's obvious to the planners that the application is not going to be granted. This will give the applicant the opportunity to withdraw the application and engage with the planners to amend the application and bring it up to the criteria acceptable to the planning section".*
