THE COMPETITION:

Galway County Council is currently inviting applications from suitably qualified persons for the post of Liaison Officer –Specific Purpose Contract.

The initial contract is a Specific Purpose Contract established to facilitate the delivery of the N6 Galway City Ring Road project.

THE ROLE:

Galway County Council invites applications from suitably qualified persons for appointment as Liaison Officer (EE Analogues) for the N6 Galway City Ring Road (N6 GCRR). It is a core component of the wider transport solution for Galway City and County, complementing BusConnects, rail enhancements, Active Travel, demand management and other measures under the Galway Transport Strategy.

The approved scheme is approximately 17.5 km in length and includes:

- approximately 11.9 km of motorway/dual carriageway from the existing N6 at Coolagh, northeast of Galway City, to the Ballymoneen Road area northwest of the city;
- approximately 5.6 km of single carriageway continuing to the R336 Coast Road west of Bearna;
- a new crossing of the River Corrib, together with major bridge, road and ancillary structures;

- significant utility diversions and protection works, including interfaces with the 110 kV and 38 kV electricity networks and other statutory undertakers.

The project is a major national infrastructure investment with an overall value expected to exceed EUR 1 billion. TII has authorised the project to progress to Phase 5 under the TII Project Management Guidelines. The current Enabling, Procurement and Delivery stage includes detailed design,

preparation of contract documents, procurement, property and utility readiness, advance works and progression to the main construction contract.

Current Delivery Context

The indicative programme provides for detailed design and procurement during 2026-2027, advance works from 2027 and commencement of the main construction contract from 2028, with an estimated main construction period of approximately 36 months.
